7. You're the right person to give me advice.
8. I wouldn't make a single change if I were you.
9. You should've written the speech on your own.
10. I think it's better to soften the speech a little bit.

Day 2

11. They'll be done in an hour.

12. Sure. Let's encourage more students to sign up.

13. Terrific! You'll be the best judge ever.

14. That's okay. I was happy to help out at the nursing home.

15. You can help me run my own blog.

16. Yes. It's very time-consuming, but it's worth it.

17. I didn't get my newspaper today, either.

18. Just thinking of it makes me happy.

19. Teamwork will win the competition.

20. Good. I hate working on weekends.

Day 3

21. No problem. I'll pick up your daughter.

22. Okay, let me take a look.

23. The more knowledge, the better the interview.

24. The company buys your creativity, not your image.

25. Interviewing is no more than expressing yourself.

26. I'll write it down for you then.

27. I recommend you return your book soon.

28. You should've slept more last night.

29. Sorry. I can't work the night shift.

30. Definitely. He'll move in with me soon.

Day 4

31. Sure. I'll tell him not to practice late at night.

32. That's okay. He won't mind playing the guitar.

33. You're right. I'd rather take the next flight.

34. I'll hand in your paper for you.

35. Don't apologize. I'm sure you'll get better soon.

36. Okay. I'll go find another one soon.

37. I'd prefer to get them by mail.

38. I'll revise the review right away.

39. Don't worry. I will hold the shirt for you.

40. I'm sorry, but we don't sell products on credit.

Day 5

41. You can visit the lost and found for your wallet.

42. I apologize. We don't have anything in your size.

43. Okay. I'll try my best to be there.

44. I get seasick whenever I'm on a boat.

45. I taught myself from a book in the library.

46. I don't know how to make things out of paper.

47. I'll get along well with my coworkers.

48. I'll find out after the training session ends.

49. I don't think company life will be as easy as I thought.

50. I have no idea who will be in charge of the department.

Day 6

51. That's amazing. I guess they're safer than I thought.
52. I agree. Traffic regulations should be strengthened.
53. How about giving your old stuff to a charity?
54. I'm really proud that I got a promotion.
55. The cake I ordered will be here in time.
56. I think it's worth trying for our son, though.
57. Please tell me what the cake I made tastes like.
58. I forgot the due date of my book review.
59. I keep in touch with old friends in my previous school.
60. I'd like you to give me some advice about the field trip.

Day 7

61. Why don't you buy a flower basket for your mother?

62. Yeah. I heard it took a whole year to complete it.

63. Right. I envy your daughter for having a father like you.

64. Not at all. I'm pretty sure it won't last for a week.

65. I have no idea why the presentation schedule was changed.

66. Sorry, but I'm too busy to volunteer at the bazaar.

67. It'll be nice of you to ask other teachers for participation.

68. It's impressive that you keep challenging yourself.
